Who we are

We are a group of concerned citizens that advocates for the Highland Public Library.

We believe that a strong library is central to a community and the role of the Friends is to help our library survive and thrive.

We provide needed resources to the library, as well as purchasing great prizes for the summer reading program.

Your Membership Supports These Library Programs

- ◆ Healthy Snack Programs
- ◆ Museum Passes
- ◆ Teen Room Furniture
- ◆ Kindles & Nooks

Opportunities to help:

- ◆ **Advocate** on behalf of the library
- ◆ **Become a non-participating member:** This is a great option if you want to join but don't have any time to volunteer.
- ◆ **Donate your expertise** in graphic design, photography, fundraising, volunteering at events, etc.
- ◆ **Suggest a way to help:** Do you have a special talent that can help promote the library?
