Online Patron Registration Policy:

Beginning June 1, 2015 residents of the Highland Central School District will be able to register for a library card on the library’s website. A link on the website will provide a form which must be completed in its entirety. Patrons will receive their library card number and PIN in an email within 1-2 business days. It is highly recommended that the PIN is changed the first time a patron logs in from the Login to my record link on www.highlandlibrary.org site.

The card will allow patrons to use any and all online content such as; E-books, downloadable audiobooks, streaming videos; databases etc. In order to check out any physical materials or go to other MHLS libraries the patron will need the physical card. The physical card will be kept at the library. Patrons may come in during regular business hours to pick up their card with picture ID and address verification.

Adopted: July 2, 2015
